

2010 BRANCH TEAMS

The following table lists the teams for the Open Branch Championships to be held at Fingal Beach on the 6th February. Please note the following points;

1. Currently there are several teams that have not as yet been finalised for the State Championships, performances will be closely monitored at the Branch Championships and based on the results from this carnival, other results during the season and other factors, the final teams will be chosen and this information will be distributed during the week following the Branch Titles. The committee would also point out that the final selection is not just based on results, although they are a major factor in the selection process, but other issues such as skills, surf conditions and the position they are trying to fill in the team.
2. Following on from point 1, the selection panel understands that at the end of the day some competitors will be disappointed with final selections that is competition and because of the wealth of talent in some divisions, is unavoidable. However club spirit should overcome this disappointment and all club members should provide encouragement and support to all our selected teams.
3. It has been decided **that in the main**, junior members will not be selected in open teams for Branch to enable them to perform to the best of their ability in these Championships in their own age division. However, this will not be the case at the State Titles, where these competitors will be chosen in certain open teams to enable Redhead to place the best available team on the line in the selected event.
3. At this stage very few under 14 competitors have nominated for open Branch, however should some choose to do so on the day other teams in the under 15 division will be formed
4. All Under 17 and Open Swimmers will be expected to participate in the Open Swim Race at Branch.
