

COMPETITORS UPDATE

UPCOMING EVENTS

1. A function has been arranged for this Sunday 31st January at the club, commencing at 3pm. A band will be in action and the event is to fund raise for competitors so get out your dancing shoes and get to the club and support the competitors. A door charge of \$5 will apply and drinks are by ticket only which can be purchased at the door.

Competitors with their RSA who can give a hand behind the bar please contact Mike McKey or Mick Sullivan.

2. The Stella Capper a longstanding iconic surf life saving event will also be held this Sunday at Swansea Belmont commencing at 1.30pm. The event is team based and has events that use all disciplines of surf lifesaving including boat races and beach events. Swansea won the event last year and our club is out for revenge. We have selected a strong team who are listed below; Jess Collins, Hannah Ward, Hannah Trypas, Stewart Mclachlan, Isaac Morgan, Mark Stowe, Mitch Ambler and the under 19 boat crew of Captain Stu, Oliver Yulianto, Elliot White, Ben Roddenby and Joshua Mostyn. If you can get along and support the team please do so.

3. A Golf Day will be held at Charlestown Golf Club on Friday 5th March commencing at 7am for breakfast and an 8 am hit off, please contact Tony Greenland (0408680480) or Garry Counsel for further information.

This event raises significant funding for the competitors so it is imperative that we support this event, particularly the competitors.

4. State entries close on the 1st February and all those who have nominated have been entered. Those who access the system will note that teams have also been entered however this was done to ensure we have teams in the events that our club wishes to compete in. Most teams are clear cut but there are a few that will be difficult to finalise due to the wealth of talent that we have in some categories.

The competition committee will meet this weekend and finalise some of these teams and select teams for the Branch Championships which will be held at Fingal on the 6th February. The final selection of some teams may not occur until after the Branch Championships.

5. A reminder to all competitors that require equipment transported to Aussies the list is in the club foyer on the notice board.
