

## NEW YEARS NEWSLETTER-2010

The Christmas and New break is now over and training is back in full swing, I hope that you and your family had a wonderful Christmas and that you're ready for the big end of the season.

Entries for Queenscliff have closed although I can enter until Tuesday so anyone wishing to attend needs to contact me direct on 0417484032. **A list of those competitors attending the Queenscliff carnival is attached as are the teams for the day.**

The carnival programme for Queenscliff can be found on the Sydney Northern Beaches web page. The carnival programme for Manly can be found on the Manly Surf Club web Page.

Please note that as this is the first real carnival for the seniors this season. Teams will continue to be fine tuned at both the Manly and the Freshwater Carnivals, so that the club will be in a sound position to select our most competitive teams for Branch, State and Australian Championships. Should your name not appear in a team at this stage, do not despair, but it is important that you attend the Manly/ Freshwater carnivals to stake your claim for team positions at the major Championships.

Congratulations are extended to Hannah Trypas and Jessica Collins for their selection in the N.S.W. State team; all members wish them success at the upcoming interstate series.

The entry sheets for the remaining carnivals are on the club notice board, the State Championship entry closes on February 1, which means that all nominations must be made 1 week before to enable team selection to be made.
